

K 240 Studio

55 ohms impedance, plug - in cable Self - adjusting headband for optimum fit Single cable for ease of use Semi - open, circumaural design

The Studio version of these classic hi - fi stereo headphones uses XXL speakers with Varimotion diaphragms for higher sensitivity, a wider dynamic range, and higher sound levels. Other features include semi - open earphones, a solid bass range, clear highs, and excellent comfort. Also connects to portable equipment (CD players, DAT recorders, notebook computers, etc.)
