

Tone Control to Go!

October 1 through October 31, Purchase iRig Stomp I/O and get the accessory of your choice!

Get a free accessory for your ultimate floor tone rig

From October 1st through October 31st 2018, receive an accessory of your choice with the purchase of iRig Stomp I/O. Choose from iRig Stomp I/O Travel Bag - a gig bag for iRig Stomp I/O with adjustable straps and a zippered pouch for carrying your power supplies, cables and other items, or a complimentary iKlip Xpand, iKlip Xpand mini, or a Mini-DIN extension cable to put your device closer to you. So you can protect your iRig Stomp I/O when you're carrying it around, or securely hold your tablet or phone, or position your iPhone or iPad away the iRig Stomp I/O's device bay - absolutely free!

The ultimate floor tone rig

iRig Stomp I/O is a brand new type of USB pedalboard controller that integrates a professional, high-resolution, MFi certified audio interface with MIDI input/output for iPhone, iPad, Mac and PC. It comes bundled with state-of-the-art guitar, vocal processing, and recording software for flexibility and usability, both live and in the studio.

Buy iRig Stomp I/O now until October 31st and receive a complimentary accessory of your choice!

How to qualify for the promotion:

1. Purchase iRig Stomp I/O
2. Register your product online via the IK Multimedia website.
3. Go to your User Area and click on 'Promotions' to view the details and fill out the online redemption form, choosing your complimentary accessory.
